'Strong work levels and business optimism for UK tradespeople'

Working through lockdown:

72% of tradespeople worked through April

& **77%** in May

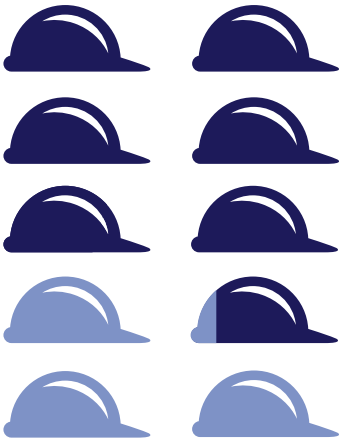

More than **two thirds** of tradespeople expect business levels to remain the same or improve in the next year

88%

of tradespeople are **currently working**

32%

are busier than expected

56%

are preparing at least as many quotes **as last year**
